

AMENDMENT

IN THE SPECIFICATION:

Please amend the paragraph beginning on page 7, lines 28 and ending on page 8, line 2, as follows:

As shown in Figures 8C through 10, an outer portion 272 is attached to the inner portions of each link. In this example, each outer portion 272 is made up of two pieces, although more or fewer pieces could be used. The outer portion 272 includes a first side 274 and a second side 276 that are on opposite sides of the corresponding inner portion. A bottom surface 278 includes a plurality of teeth 232 having a profile that cooperates with the outer surface 34 of the drive member 36. The plurality of teeth 232 are made of an integrated piece of material.
